

D-Y **ART** invites **SENIORS** to leave a legacy.

**We need YOU!**

**What legacy do you want to leave DY (your family and friends)?**

*Look ahead 5, 10, maybe 20 years from now (I know, just try).*

*Imagine you are visiting DY (you know you will!),  
and remembering when you were here...*

What legacy do you want to leave your school community about YOU?

About your experience in life at this time?

**Class of 2020** celebrates “them,” the class like never before!

# Leaving a D-Y Legacy

Students will...

- Use photographs, magazine/newspaper images, drawings, paintings, 3-D art, or mixed-media to illustrate a **visual story** based on current experiences, perspectives or expressions.
- No text allowed to express the “visual” story (only title of art).
- More than one final image may be used, especially if creating a “documentary” version of your legacy, but one is sufficient.
- Seniors will have their own Senior Portfolio page online and in the D-Y Yearbook (optional) where selected images will be shared and cherished.
- We encourage ALL seniors to participate by creating at least ONE 2-D, digital, or 3-D piece to contribute to the Senior Legacy page.
- **All work** must be photographed (if non-photography) and shared with Mrs. Da Rocha [darochaa@dy-regional.k12.ma.us](mailto:darochaa@dy-regional.k12.ma.us)
